

Integrated Unit Planner

Critical Content/Concept Web

Unit Theme: *Personal Journey*

Conceptual Lens: *Transformations*

Unit Length: *15 weeks*

Grade Level(s): *adult*

Unit Overview

Selected primary historical documents will support students' exploration of "personal journey". Through writing, reading and conversation we will reflect on how these individuals overcame personal and social barriers. Comparison of these experiences to the students' life will be examined.

English

- Reading of personal biographies
- Vocabulary
- Journal writing/Self-exploration
- Research of Career Requirements
- Career Planning Skills

Social Studies

- Relationship between individual and society
- Occupational Exploration
- US History
- Cultural Context Awareness

Designer(s): *Susan Knight, David Richards, Robert Lovelace.*

Students will understand that... Change happens over time and within a historical/cultural context.

Essential Question... How does personal change happen over time?
